7:00 PM

CHESAPEAKE BAY

TURNING SWEET DREAMS
INTO REALITY WITH CITIZEN
SCIENCE

Bill Dennison directs the UMCES "Integration and Application Network" (IAN), located as a close EYC neighbor on 4th Street in Eastport.

Come learn about IAN's efforts to assist Chesapeake Bay restoration and protection, including production of annual "Report Cards" for the Bay and integration of "Citizen Science" into other monitoring and research efforts.
