

CRUISING WITH A CARTOONIST AT SEA

The Environmental and Cruise Committees will host a presentation by cartoonist Jim Toomey entitled "Cruising with a Cartoonist at Sea". He produces the syndicated cartoon strip "Sherman's Lagoon" which has an amiable shark as its main character. The award-winning comic strip is widely recognized for increasing public awareness of environmental and marine conservation issues. He will share his sailing experiences on a 22 month family odyssey, visiting 32 countries, and homeschooling two kids along the way. Be prepared to laugh out loud as he shares some engaging cruising stories with great photos and cartoons.
