

For the Birds

A Celebration and Call to Action for our Feathered Friends
with Jack Wildlife

Wednesday, December 6, 2023

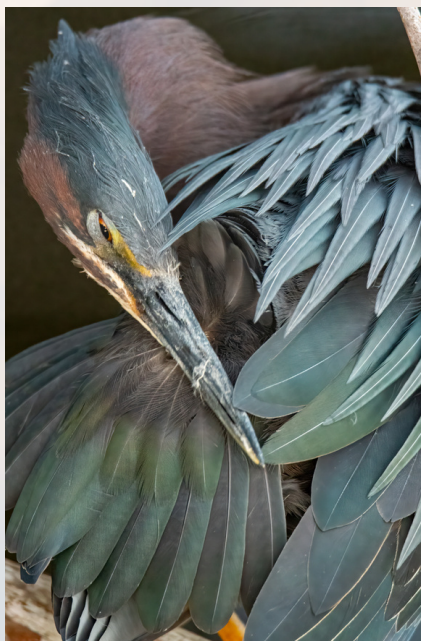

7:00 PM

EYC Conference Room

Presentation will be followed by a Dessert Reception in the Aft Deck

Jack Turner is an Environmental Scientist and Wildlife Photographer.

Growing up near the Severn River in Annapolis, Jack has been documenting local wildlife for over 5 years, sharing his images and videos with facts and information about some of the most iconic Chesapeake Bay species to drive a conversation around wildlife conservation and environmental stewardship.
